Subject: Braintree District Housing Number  
To: <[copseyandrea@gmail.com](mailto:copseyandrea@gmail.com)>

Dear Andrea

I'd like to respond to BDC's consultation regarding the housing number for the District.

In my view, a near-halving of household projections for the District is very meaningful and should be reflected in the Local Plan. Planning guidance is clear that the most recent household projection should be used.

Best wishes
